iMesa

imagine, invest, improve

Technology Task Force

Thursday, October 29, 2013, 3 pm

Mesa City Plaza, 20 E. Main Street, Ste. 700

Attendance:

Ronald Barnes

Stephen Viramontes

Melissa Randazzo (staff)

Jim Mack (staff)

Jessie Brodersen (staff)

Minutes:

- Ron called the meeting to order.

- Develop the iMesa and Mesaaz design requirements, expectations, and requirements to include but not limited to, functionality, voting approach (10 no longer limit), dashboard making it easier to track project status, integration of 311, My Mesa, iMesa 2.0, integrated infrastructure.

- Consistent with the iMesa approach, make the technology idea a project idea to create a state of the art community involvement and visioning tool. We would host an iMesa HACK-a-THON to challenge enthusiasts to build a plateform for the new, the innovative, the best practice iMesa platform around the defined requirements.

- Continue next steps by inviting firms to demo their services including User Voice, Mind Mixer, Infusionsoft and others.

- Next meeting is December 4 at 3 pm.

- Meeting adjourned
